

1. Login

Log in to your account in the Campusportal with your kiz user data:

<https://campus4.uni-ulm.de/>

The screenshot shows the login page of the Ulm University campus portal. At the top left is the university logo and name. On the right, there are input fields for 'User name' (containing 'abc12') and 'Password' (masked with dots), followed by a 'Login' button and a link for 'Lost login data? (Only for applicants)'. A language selector shows 'English'. Below the login area is a 'Welcome to the Ulm University campus portal' message with a 'Home' dropdown. The main content area is titled 'Choose your portal' and offers two options: 'Applicants' (for those who have decided to study) and 'Students' (for those already studying). Below this is a section 'Here you can register for a study at Ulm University' with a 'Register and apply now!' button. A note for 'Already enrolled at Ulm University?' provides instructions on logging in with a kiz ID instead of registering.

*Alternatively use the old portal (Portal für Studium & Lehre der Universität Ulm):

<https://campusonline.uni-ulm.de/>

Then follow the link to STU:

The screenshot shows the 'Das Portal für Studium & Lehre der Universität Ulm' interface. The top navigation bar includes 'Home', 'Logout', and user information ('You are logged in as: [redacted] acting as: Student'). Below the navigation bar are tabs for 'My Functions', 'Student's Corner', 'Courses', and 'Organizational units'. The 'Student's Corner' tab is active, showing sub-sections for 'Study', 'Facilities', and 'Members'. The 'Study' section is expanded, displaying a list of links: 'Administration of studies' (highlighted in green), 'Administration of exams', 'Personal Timetable', 'My Curricula Timetable', 'Guide (German)', and 'Guide (English)'. A text box below the links states: 'You can download your study reports as PDF-Files. They can be verified.' Below this, there are links for 'Bescheinigung über im Studium entrichtete Gebühren und Beiträge', 'Certificate of paid fees for all semesters', and 'Administration of studies STU' (highlighted in green).

2. Show reports

Under "Student Service" -> "Reports"-> "Common reports" you can find different reports. The created reports are available in German and English and are verifiable.

Ulm University logo and navigation icons (home, star, search) are visible at the top left. A search bar labeled 'Browse menu' and a 'Change role' dropdown menu are at the top right.

3. Print and download reports

Click on the blue printer icon (“Print”) below “Actions”. By doing this, the document will be generated, then either opened in your browser or saved in your download folder. The document will however not be automatically printed.

If the report has already been downloaded once, the printer icon turns grey. In this case, you can click on the (now blue) magnifying-glass icon (“Load Report”) to download the report again. This also opens or saves the document.
