

Confirmation of fulfilment of the requirements of an internship as an orientation internship

in accordance with Section 14 of the Licensing Regulations for Psychotherapists (PsychThApprO) of 4 March 2020¹

In the case of a bachelor's degree in psychology which is not (yet) recognised under professional law and **which was completed at a German university or equivalent higher education institution or at a foreign higher education institution**, proof must be provided that the internships completed during the course of study meet the requirements for the **orientation internship** in accordance with Section 14 PsychThApprO for an equivalent degree. To ensure that your (planned) internship fulfils the requirements for the orientation internship, this form must be completed by your home university. If you are granted a place at Ulm University, this form must be submitted to the Stuttgart Regional Council (Regierungspräsidium Stuttgart) for examination when applying for the equivalence of your degree. Therefore, please ensure that the information is correct and complete.
