

Form requesting subject-specific additional information regarding the Master's Programme Biology

Entrance requirements

- 1) Proof of a bachelor's degree with above-average examination results in the study programmes in biology or biochemistry or any other study programme with essentially the same content at any higher education institution in Germany or abroad –or any degree recognised as equivalent— with a standard period of study of three or more years.
- 2) Proof of above-average examination results can be
 - a) a bachelor's degree with a final grade of 2.5 or better or, where this has not yet been established,
 - b) an average of 2.8 or better of all examination results obtained by the date of application; the volume thereof must be equivalent to 120 or more credit points
- 3) Essential skills in cell biology, physiology, ecology and molecular biology (incl. microbiology and genetics). These essential skills may be gained by completing and passing the preparatory course offered by Ulm University
- 4) Proof of adequate English language competence
This can be the Test of English as a Foreign Language (TOEFL) with
 - 88 points (internet-based TOEFL), or
 - any comparable proof (e.g. IELTS 6.5), or
 - proof that applicants are native speakers of English, or
 - that they completed their academic studies in English, or
 - that they gained a minimum of 6 ECTS from academic courses taught in English during their studies at a higher education institution.

Proof that entrance requirements are fulfilled. Please always submit adequate proof!

Entrance requirements	Your details
Final grade of bachelor's degree or equivalent degree	
If the bachelor's degree has not yet been completed: average grade of examination results prior to the application date
