regarding the**

Master's Programme in Finance

Entrance requirements

1. Proof of a bachelor's degree with above-average examination results in the study course "Mathematics" or any other course with a strong focus on mathematics, at any university in Germany or abroad – or any degree recognised as equivalent – after completion of three years of study or more

2. Proof of adequate English language competence (may be handed in later):

- internet-based TOEFL with a score of at least 88 points
- IELTS with a minimum score of 6.5
- Cambridge exam
First Certificate in English (grade A), Certificate in Advanced English (Grade A – C), Certificate of Proficiency in English (A – C)
- UNlcert III or UNlcert IV
- proof that English was you're the only language of instruction during your bachelor's or other degree programme.

This does not apply to applicants who are native English speakers.

In the case of admission this proof may be handed in by enrolment in October at the latest.

The assessment criterion used is the weighted mean value of the study achievements below.

- a) The aggregate mark of the bachelor's degree or equivalent degree or, where this has not yet been determined, the grade average of examination results obtained prior to the application (weighted by a factor of 1).
- b) The grade average from study achievements in three or more of the following subjects the student must have attended with a minimum of 2 semesters each (the grade average is weighted by a factor of 5).
 - aa) Pure mathematics
 - bb) Probability theory/statistics
 - cc) Applied mathematics (except study achievements in bb))
 - dd) Finance
 - ee) Computer science/programming

Successful study achievements of a master's programme can also be taken into consideration.

The examination result is deemed to be above-average if the weighted mean value is not less than 3.5 points on a scale of 0 (insufficient) to 5 (excellent).

Last name, first name: _____

Proof that entrance requirements are fulfilled.

Please always submit adequate proof!
