**Emergency mode at Ulm University due to the coronavirus**

**Automated access with University membership card or guest card only**

**Entrance Uni Ost (Uni East) possible manually via the gate at N24/2 West entrance**

Dear members of Ulm University,

In order to enter the University during emergency mode, you need a valid membership card or guest card of Ulm University to operate the electronic doors. A membership card of the University Medical Centre does **not** open the electronically secured outer doors of the University.

If you do not have a University membership card or guest card, you can apply for one online. However, it may take a few days for you to receive the card.

In the meantime, you can access the Uni Ost building via the gate at the ground floor entrance in N24/2 West at the connecting passage to the Medical Centre.

The gate is manned from Monday to Friday 07:00 a.m. to 7:00 p.m.

The staff manning the gate has a copy of the access authorisation list.

Kind regards,

signed

Enrico Frick
